

## **A REPORT ON EXPERT LECTURE BY DR. P. K. PRIYAN**

Document no.: F/AIM/Acad/Visiting/20/1.03

Date: 8-10-2015

Day: Thursday

Time: 10:30 to 12:30

Venue: Anand Institute of Management

A guest lecture by Dr. Priyan From G.H.Patel College Anand, was delivered 8<sup>th</sup> October, 2015 for the students of Finance specialization, III<sup>rd</sup> Semester, Anand Institute of Management.

He initiated the session with an overview about portfolio management, how to invest and how should be your portfolio that can give you maximum return. He also gave the students knowledge about diversification and optimum return from the different scripts and subprime crises in US in 2008.

He shared the belief of Warren Buffet, that his is the firm that never declared dividend. He also gave knowledge about growing industries and scripts.

The session went on further where he gave information about intrinsic value of business, value of share, market value and its effect on portfolio. He taught formula and instruments through which the risk and return of portfolio can be calculated.

It was a very knowledgeable experience for the students. Through the lecture they came across many concepts which will be helpful to them throughout their career.

Report prepared by: Ms. Disha Joshi (Assistant professor, Anand Institute of Management)
