PARENTS – TEACHER MEETING

A parents-teacher meeting was organized by Anand Institute of Management on 3rd December, 2016 (Saturday). The objective behind organizing the meeting was to discuss the students' progress with their parents. The discussion was intended at finding solutions to the students' academic as well as behavioural problems. The meeting was conducted in a very informal manner. The faculties discussed in detail various aspects of the students with their parents. The parents appreciated the efforts on the part of the Institute and the faculties which has brought a change in the students. The meeting was advantageous to both, the parents and the faculties.

RED- RIBBON CLUB ACTIVITY

Anand Institute of Management had organized activities under "Red Ribbon Club". The objective behind organizing such activities is to create awareness regarding health related problems especially HIV and AIDS. For achieving the objective, a role play was performed by the students of semester I, MBA. The characters and concept of the role play was very effective, hence, aiding in spreading the awareness among the students easily. A quiz for HIV-AIDS was also conducted for the students. Total 36 students of semester I and III had participated in quiz and two winners were announced. The winners of quiz were awarded with a certificate and organiser file. As a token of appreciation all the students, who had participated in Role Play were given participation certificate and gift.

VISAKA

Anand Institute of Management organised a training programme on cashless economy, initiated by the government of India. Mr. Vismay Shah addressed all the students of MBA for this. A cashless economy is one in which all the transactions are done using cards or digital means.

The circulation of physical currency is minimal. With limited cash in hand and an indefinite crunch in sight, most people are rushing to cashless transactions. "Digital transactions bring in better transparency, scalability and accountability. Mr. Shah threw light on various ways to make this happen in such an easy manner. The RBI classifies every mode of cashless fund transfer or transaction using cards or mobile phones. Debit cards, credit cards, e-wallet, net banking, account transfer, unified payment interface.
