INDUSTRIAL VISIT

The Anand Institute of Management had organised industrial visit at Reliance – Textile Unit (Vimal) on 24th January, 2017. The main objective behind the visit is to make students aware about various concepts and activities related to textile industry carried out in organisation and also they can have exposure of the outside world apart from their daily routine college activities. Students of Anand Institute of Management had visited Reliance – Textile Unit (Vimal) accompanied by Prof. Akash Shah. The visit was unforgettable and students learned many things which would help them in future.

SPORTS DAY CELEBRATION

Anand Institute of Management had celebrated sports day on 28th January, 2017 at ITI playground. Students of Anand Institute of management had played various games on Sports Day such as Cricket, 100 meter Race, Passing the ball, Football training, Badminton, Carrom, Chess and many other. It is the tradition of this college that not only students, the Faculties and Director himself get actively involved in sports and enjoyed with the students.

EXPERT LECTURE ON LABOUR LAWS AND LEGAL ASPECTS

An expert session by Mr. Iyar, former legal advisor of SRKSM, was arranged for the students of third semester of Anand Institute of Management. He had shared his experience of solving various legal cases that he had solved for different companies during his tenure as a legal advisor. He had mainly discussed on Industrial Dispute Act, Gratuity Act and also a case that had involved a dispute regarding public utility services. He taught the students about his approach towards the cases, the knowledge required to solve each and every case and the

importance of labour laws. The session was very helpful to students for gaining practical insights related to their subjects.

EXPERT LECTURE FOR FINANCE STUDENTS

Anand Institute of Management organises a series of expert talk every semester to supplement the theory with the practical application. As a part of the series, an expert talk on Financial Planning and Portfolio Management was being organised by the institute for the students of fourth semester (Finance Specialisation), MBA. Mr. Dipesh Gandhi is one the renowned financial and tax experts in Anand city. He has been in this field since 2004. He has a rich clientele for portfolio management in and across Gujarat. The basic objective behind organising his talk was to provide practical exposure to the students of MBA (Finance) about financial planning. He shared the theory of money management respected Mr. Warren Buffet with the students. He suggested to read good books for practical application of financial planning. He also explained the concept of life stage planning. He covered the aspects of moral, commitment, ethics etc. in the talk. Apart from the talk in the subject area, he also guided the students on how to face the interview and gave the practical tips on career goal setting.
