### **Parents Teacher's Meeting**

A parents-teacher meeting was organized by Anand Institute of Management on 16<sup>th</sup> November, 2019 (Saturday). The objective behind organizing the meeting was to discuss the students' progress with their parents. The discussion was intended at finding solutions to the students' academic as well as behavioural problems. The meeting was conducted in a very informal manner. The faculties discussed in detail various aspects of the students with their parents. The parents also shared their views about the curriculum. The meeting has helped the faculties to know more about the students, which will in turn aid them to guide the students in a better manner.

### **One Day FDP for MBA Faculties at GTU**

The syllabus for MBA semester IV has been revised for the academic year 2019-20. In this regard, GTU had organized a one day FDP on 26<sup>th</sup> November, 2019 for MBA faculties on the subject offered to the students of semester IV. The main objectives of the FDP was to discuss and guide the faculties on the approach towards teaching the various subjects that have been offered by GTU for the students of fourth semester. From Anand Institute of Management, three faculties attended the FDP. Also, Dr. Bindiya Soni served as the resource person for the subject corporate restructuring and valuation. Prof. Megha Patel & Prof. Heta Shah attended sessions of the respective subjects which are being taught by them at Anand Institute of Management. The sessions were made very informative and interactive by all the experienced faculties who served as resources persons for the subject of semester IV.
