## *REPORT ON INSTITUTE SOCIAL RESPONSIBILITY*

**Document no.:** F/AIM/Acad/ISR /2020

**Date:** 27-02-2020

**Day:** Thursday

**Time:** 11:00 AM onwards

Social responsibility is a vital thing, which must be followed by everyone in the country. The students are the backbones of the world. They are the pillars for tomorrow. The life of a student is not about scoring marks, getting grades, and passing through the examinations. It's something different. They have to be responsible and serve society for the same.

The basic sense of sharing should be built-in within the students. Once a good thing is shared, it becomes viral and it could give fruitful results. The institute social responsibility of students can be impinged on various examples. For this purpose, Anand Institute of Management had organised an activity for the welfare of society as the part of **Institute Social Responsibility on 27<sup>th</sup> February 2020.**

In this activity, students of semester II and IV collected the old cloths, stationary, Accessories, toys and other essential things for the needy people. 20-25 Students of both semester along with the faculty members visited the lambhvel village which is adopted by Anand Institute of Management under Unnat Bharat Initiatives to contribute the essential things to needy people.

However, students also visited to the primary school and they have spent some quality time, they enjoyed various moments with the children's & distributed chocolates and biscuits to make them happy.

**Every students should have an intention that “Today we are making a difference for tomorrow”**

Let's the change begins.

*“The willingness to accept responsibility for one’s own life is the source from which self-respect springs.”*
