General Awareness Online Quiz- June 2020

In this pandemic situation, where people are killing their time using online sources, **Anand Institute of Management** came up with an interesting online quiz for students.

The Quiz was based on General Awareness questions about India. It comprised of 15 questions covering history, corporate, social activists, eminent personalities, culture, prominent cities, national interest etc.

Online quiz was generated with help of google forms. Various features were activated with the form as if, after submission of quiz, correct answers and scores get revealed.

Certificate was also attached to google quiz, and criteria to get the auto generated certificate was 40% score from the total. The Quiz was circulated via social media platforms in various colleges pan Gujarat state. More than **200 responses** were received, who appeared in the quiz and more than 95% received certificate against the condition to score at least 40%.

The response was overwhelming for the Institute in conducting such interesting quiz, which motivated them to get some more knowledge about India.
