**Date: 3<sup>rd</sup> October, 2020  
Day: Saturday  
Time: 10:00 A.M onwards  
Media: Google Meet**

**Even as years pass by, the Gandhian principles remain evergreen and hold power to enlighten the entire world. His simple life, rich values, and wisdom made him move he British Empire. On pillars of truth and non-violence, he offers solutions, through his different principles, on issues of society, economy and politics.**

**On Mahatma Gandhi’s 151th birth anniversary, AIM gave him a small tribute by remembering him and his gandhian values. Under the committee of Holistic School, Aim has organized an interesting activity to cherish the memories and life values of Mahatma Gandhi. Students were communicated to prepare a presentation on gandhian values derived from our Bollywood movies. Students prepared the presentations with all their soul. Various groups were formed and presented different patriotic movies such as Gunjan Saxena (2020), Rang de Basanti (2006), Swades (2004), Lage Raho Munna Bhai (2006) and many more. Students remembered Gandhi Jayanti by discussing all his values and how we can practice those values in our life.**

**At the end of the session, Dr. Mayur Rao enlightened all that how the life of Mahatma Gandhi should serve as an example to guide humanity to a better world. His lessons to political leaders on how to work for the betterment of humanity in every walk of life. We can see his greatness expressed in his own words: “I have known no distinction between relatives and strangers, countrymen and foreigners, white and colored, Hindus and Indians of other faiths, whether Muslims, Parasi, Christians or Jews. I may say that my heart has been incapable of making any such distinctions.”**

**As Gandhiji said “be the change you want to see in the world” we can very much try to indulge the set of principles in our lives. We all can accept Gandhigiri, given that we understand the requisites of the current times, and act the way Gandhiji did.**
